

**SOUTHWELL & NOTTINGHAMSHIRE AREA**

**“Everyone can sing”**

Saturday 13<sup>th</sup> March 2010

St John’s Church, Carrington, Nottingham

2.00 pm to 4.30 pm

with

**Geoff Weaver**

formerly RSCM Director of Studies and Outreach

and prior to that Director of Music at Bradford Cathedral. He has also worked for the Church Mission Society in Hong Kong and in Selly Oak, Birmingham. He is well known as a Conference Music Director, composer, arranger and has published two volumes of *World Praise*.

Geoff has a passion to get people singing. This is an event for all who would like to improve their own singing, those whose responsibility it is to encourage others to sing and for those who lead worship. Be inspired to encourage others to sing and to lead with the voice, and discover some new resources from around the world. Geoff has travelled widely and will introduce and encourage us to use some of the wide variety of resources available to us from around the world.

This is an event for churches with few or many resources and is not to be missed.

There will be a short break for tea and biscuits, and an opportunity to ask questions.

The afternoon will end with a short service.

**Event cost: £5.00 per person**

*St. John's Church, Carrington is on the A60 Mansfield Road, about two miles north of the centre of Nottingham*
